

Schedule of the intensive seminar on Engineering Surveying in Bratislava 2021

Monday 25th Oct.

- 11:30 Arrival, chek-in Hotel Akademik
- 12:00 Lunch
- 13:00 – 15:00 **Lecture – Terrestrial laser scanning and its use in engineering surveying**

Tuesday 26th Oct.

- 9:00 – 14:00 **Practice – Horizontal deformation monitoring**
(polar method/intersection and measurement in reff. network using total station Leica TS30)
- 11:30 – 13:45 Lunch (the students will take turns)
- 14:00 – 16:00 **Negotiation of the representatives of institutions**

Wednesday 27th Oct.

- 09:00 – 16:00 **BIM Workshop - on-line** (A series of professional presentations focused on specific solutions for day-to-day practice of BIM)
- 11:30 – 13:45 Lunch

Thursday 28th Oct.

- 09:00 – 11:00 **Lecture – Automated measuring systems and their use for monitoring of building structures**
- 11:30 – 13:45 Lunch

Friday 29th Oct.

- till 10:00 check-out Hotel Akademik
- 10:30 – 12:00 **Excursion – Geodetic laboratories of the Faculty of civil engineering STU in Bratislava**
- 12:30 – 13:45 Lunch
